12 v.

13 SHEET METAL WORKERS
14 INTERNATIONAL ASSOCIATION,
LOCAL 66,

15 Defendant.

CASE NO. C15-1349 MJP

ORDER ON MOTIONS

16
17 THIS MATTER comes before the Court on Plaintiff's Motion to Quash or Modify
18 Subpoenas Duces Tecum, (Dkt. No. 33), and Plaintiff's Motion for Protective Order, (Dkt. No.
19 36). Having reviewed the motions, Defendant's response briefs, (Dkt. Nos. 37, 38), Plaintiff's
20 reply briefs, (Dkt. Nos. 41, 42), and all related papers, the Court enters the following Order:

21 1. The Court GRANTS Plaintiff's Motion for Protective Order, (Dkt. No. 36).

22 Plaintiff's proposed two-tiered protective order, (Dkt. No. 34-5), is necessary to
23 protect the confidential and proprietary information at issue, and will not hinder

24 Defendant's ability to prepare its case. The Court, therefore, ORDERS the Parties to

1 enter into Plaintiff's Proposed Protective Order, (Dkt. No. 34-5), within seven (7)
2 days of the date of this Order.

- 3 2. Because Plaintiff's Proposed Protective Order, (Dkt. No. 34-5), adequately protects
4 Plaintiff's interests in any information in the possession of the General Contractors,
5 the Court DENIES Plaintiff's Motion to Quash or Modify Subpoenas Duces Tecum,
6 (Dkt. No. 33). All documents produced pursuant to the subpoenas shall be subject to
7 the protective order entered into by the Parties.
